25' SAE/METRIC TAPE MEASURE

Product # **775924** | Model # **JTM-425SM**

Jet® Tools tape measures deliver performance and value while the impact-resistant housing and protective nylon coating provide the durability you need to take on the toughest jobs.

- Impact-resistant case is made with an ergonomic-style rubber jacket for maximum comfort and easy grip
- Durable nylon-coated blade is resistant to corrosion and breakage
- High-contrast/high-viz markings are easy to read even in low-lit working conditions
- Strong magnetic hook attaches to objects such as steel studs and conduit to allow easy one-hand measuring
- Built-in bumper cushion absorbs recoil impact and reduces tape breakage
- Stud and joist locaters conveniently marked at every 16” and 19.2”

TECHNICAL SPECIFICATIONS
