Rechargeable Focus Flashlight with Laser

Klein Tools' Rechargeable Focus LED Flashlight with Laser is a perfect addition to your tool bag. The lithium-ion battery-powered flashlight lasts a full 12 hours. Twist the focus bezel to concentrate the light right where you need it. The on-board Class II red laser with less than 5mW maximum output pinpoints objects in out-of-reach locations. The flashlight also features a removable pocket clip with lanyard hole and a magnetic end cap for hands-free use. This compact yet rugged, 10-Foot drop-rated flashlight is IP54 water- and dust-resistant, making it a durable, reliable, versatile flashlight for active professional daily use.

Specifications
