ACTIVARMR®

PERSONAL PROTECTIVE GEAR

23-173

Maintain a secure grip when the temperature drops

Previously known as: Winter Monkey Grip®

Cold | Heavy Duty

Versatile heavy-duty work gloves, providing warm, dry hand protection in cold conditions

- **Specialized protection and durability:** Fortified by their tough, flexible PVC coating, ActivArmr® 23-173 safety gloves protect users against cold temperatures while resisting abrasion, water, oil and grease
- **Increased comfort:** As these PVC-coated gloves contain foam-insulating components, they keep hands warm and dry, while their fingers, wing thumb and soft jersey cotton lining deliver superior comfort
- **Assured grip:** Beyond protecting hands from cooler temperatures, ActivArmr® 23-173 work gloves offer outstanding grip for handling heavy objects
- **Certified cold resistance:** These heavy-duty work gloves also meet EN 511-111 contact cold standards

Industries

- Metal fabrication

Applications

- Handling materials with sharp or rough edges
- Fabricating metal parts, glass sheets
- Handling application & cleaning tools
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment
