ACTIVARMR™ 97002

Cut | MD Medium Duty

Versatile work gloves offering excellent grip and breathable comfort

- **Optimized protection:** Twice as thin as standard leather with six times the cut protection, these stainless steel and Kevlar® gloves offer an effective protective barrier against snips, screws and sheet metal
- **Improved grip:** ActivArmr® 97-002 protective gloves are reinforced with foam nitrile coating around the palm, resulting in highly resilient grip in wet and dry environments
- **Elevated comfort:** Designed with breathable tactility in mind, these industrial gloves possess an ergonomic, well-insulated and dexterous design
- **Enhanced features:** ActivArmr® 97-002 safety work gloves feature an adjustable Velcro® cuff enclosure that helps to achieve a snug and secure fit, while keeping out dirt as well as debris for better wrist protection

Industries

- Automotive
- Food Processing
- Machinery and Equipment
- Metal fabrication

Applications

- Handling metal sheets & panels
- Picking, fastening components
- Adjusting parts, systems
- Equipment repair & maintenance
- Equipment maintenance and repair
- Adjusting systems and screwing
- Processing sheets, coils, tubes
