AlphaTec®
ADVANCED CHEMICAL PROTECTION

37-501
Flexible Nitrile glove

Previously known as: VersaTouch® 37-501

Blue medium-duty nitrile gloves, for assured dexterity and chemical resistance

- **Specialized protection:** AlphaTec® 37-501 nitrile gloves ensure personal protection against various solvents and oil-based chemicals, while granting wearers dexterity and moderate abrasion resistance
- **Ventilated comfort:** As these flexible work gloves feature open cuffs, they ensure better ventilation, keeping workers' hands cool, dry and comfortable
- **Food handling compliance:** AlphaTec® 37-501 protective gloves also comply with relevant food processing standards, making them ideal food handling gloves
