#S230

North Sea™

Super Flexible, Winter PVC Gloves

#S230FL

#S230

North Sea™ gloves take the comfort, flexibility and fit of fully coated gloves to a new level; they have to be tried to believed. They are made from a premium, super-soft PVC formulation applied to seamless-knit 13-gauge cotton shells while over, erogonomically-shaped hand forms. The result are gloves shaped to your hands, meaning a lot less hand fatigue. The S230FL winter version is fully lined with soft, insulating acrylic pile.

Available with **acrylic liner (#S230FL)**
