Winter Thinsulate™ Lined Deerskin Gloves

#378BDFTL

These warm Thinsulate™ lined gloves are made from butter-soft grain Deerskin leather. Fine workmanship is evident in the inseam palm and outseam back sewing, with a set-in bolten thumb and decorative pointings. The palm and back of the cuff are elasticized for a snug fit. The rolled hem cuff edge and full 3M C40 Thinsulate™ lining complete the package. Available in 8 different sizes.

TESTIMONIAL

" These are deerskin leather and warm as all can be."

"Leather is soft, yet durable reflecting a quality product. Thinsulate lining is more than adequate for cold days/nights."

5 STARS - "Hard to find warm work gloves. And still be able to pick up screws. Very warm and thin."
