Comfort-Air™ Air-Purifying Respirators

Comfort and Compatibility for the ultimate low-profile solution.

SPECIAL DESIGN FEATURES:

- **Low Breathing Resistance** – Extra large inhalation ports and unique cartridge design provide easy breathi
- **Gentle No-Slip Seal** – Textured inner surface prevents slipping while the wide inner flange forms a gentle seal that conforms to a wide range of faces.
- **High Compatibility** – Cartridges can be attached in three different positions, maximizing compatibility with eye and face protection.
- **Enhanced Field of View** – Sits low on the face to allow for better visibility in all directions, preventing accidents.
- **Easy Maintenance** – Simple design allows for easy cleaning, while replaceable parts extend product life and maximize value.
- **Long Term Comfort** – Close fitting design and exclusive corrugated exhale valve help eliminate dead air, enhancing wearer comfort.

No-Slip Seal

Saf-Twist™ Connector

Low Breathing Resistance

The ultimate low-profile solution!

Comfort-Air Series 100

	Part No.	Description
	1-S-DN5 1-M-DN5 1-L-DN5	N95 Filter Assembly Complete, Silicone Rubber; Suitable For: Welding, Dusts, Non-Oil Mists
	1-S-20DN5 1-M-20DN5 1-L-20DN5	OV/N95 Complete, Silicone Rubber; Suitable For: Lacquer & Enamel Paints, Pesticides, Welding, Dusts, Non-Oil Mists

Comfort-Air Series 300

	Part No.	Description
	1-SM-DN5 1-ML-DN5	N95 Filter Assembly Complete, Thermoplastic; Suitable For: Welding, Dusts, Non-Oil Mists
	1-SM-20DN5 1-ML-20DN5	OV/N95 Complete, Thermoplastic; Suitable For: Lacquer & Enamel Paints, Pesticides, Welding, Dusts, Non-Oil Mists

Comfort-Ease Series 400

	Part No.	Description
	4-SM-DN5ZAM 1-ML-DN5ZAM	N95 Filter Assembly Complete, Elastomereic; Suitable For: Welding, Dusts, Non-Oil Mists
	1-S-20DN5 1-M-20DN5	OV/N95 Complete, Silicone Elastomeric; For: Lacquer & Enamel Paints, Pesticides, Welding, Dusts, Non-Oil Mists

Cartridges and Filters - for P100 gas/filter combinations add 100 to part number

	Part No.	Description
	158-T-20	Organic Vapor Cartridge
	158-7-21	Acid Gas & Chlorine Dioxide Cartridge
	158-T-22	Ammonia, Methylamine Cartridge
	158-T-26	Acid Gas & Organic Vapor Cartridge
	158-T-29	Formaldehyde Cartridge
	158-T-LP0	P100 Low Profile Filter
	158-DN5	N95 Filter Pad
	158-DR5	R95 Filter Pad
	DISKITP100	Diskit™ Filter
