#S10LXFB

Dexterity® LX

10-gauge Cotton/Poly Knit with Latex Palm

#S10LXFB

Our Dexterity® LX ¾ latex-coated gloves combine the seamless comfort of a string-knit glove with a puncture-resistant latex coating over a regular cotton/poly string knit. Unique, wrinkle-grip latex, applied to the glove over an ergonomic hand form, delivers excellent wet/dry grip with improved comfort and dexterity. Seamless comfort that is shaped to your hand, combined with a dependable grip, make Dexterity® LX a great choice for a variety of applications.
