#S13BKLX

Dexterity®

13-gauge Nylon String Knit with Crinkle-Grip Latex Finish

#S13BKLX

Amazing grip and good looks are the main features of our new Dexterity® latex palm-coated string knits. The black 13-gauge nylon knit with black latex coating transform a hard-working, general purpose glove into a really great looking pair of work gloves, that hide dirt and stains exceptionally well. Nylon knit is lightweight and breathable for quick-dry, all-day comfort. The crinkle-finish latex palm-coating is unsurpassed for gripping power in either wet or dry conditions.
