EDGE®
INDUSTRIAL WORK GLOVES

48-919

Light duty multi-purpose industrial glove

Multi Purpose | Oil | LD Light Duty

Light-duty safety gloves delivering excellent grip and abrasion and oil protection

- **Optimized protection:** Reinforced with two layers of nitrile coating and a rough palm, EDGE® 48-919 durable work gloves combine superior grip with abrasion and oil repellence and keep hands dry and comfortable when handling oily parts and tools
- **Enhanced defenses:** These multipurpose industrial gloves are made of a seamless liner that is fully dipped in NBR coating to protect against industrial fluid exposure, and boast EN 420 (general requirements) and EN 388 (mechanical hazards) compliance
- **Improved features:** EDGE® 48-919 high-quality work gloves are inexpensive and offer an elastic knitwrist and other great features, which make them ideal for workers who handle small and medium-sized components that are coated with oils and lubricants
- **Food handling compliance:** In addition, these food gloves comply with FDA food handling requirements and the Commission Regulation (EC) No. 1935/2004 as well as the Regulation (EC) No. 2023/2006 related to Good Manufacturing Practices (GMP) for materials and articles intended to come in contact with foodstuffs
