COMPLETED BROOM

IMPROVED PRODUCT!

Felton Brushes is now offering a completed broom kit that is easy to ship all over North America.

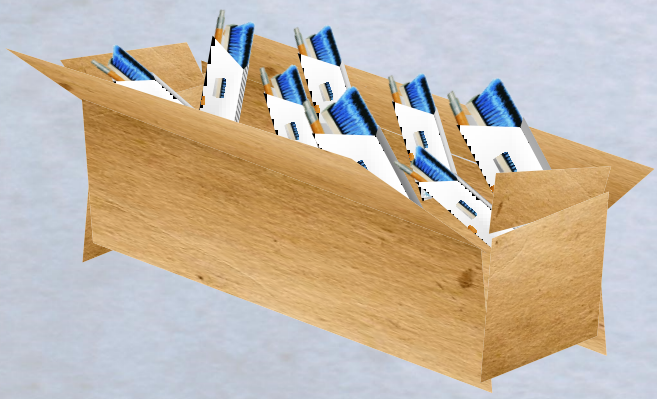

The complete BLUE BOY is a 24” broom filled with a combination of fibres. The stiff, black polypropylene in the centre pushes heavy debris, and it is surrounded by a soft, flagged blue polystyrene that picks up dust and light debris from any surface.

The BLUE BOY comes complete with a metal brace that strengthens the broom for the toughest jobs, and a 54”x1-1/8” lacquered wooden broom handle with a threaded metal tip.

The BLUE BOY is packaged individually, with all components included in the box, and is shipped by the dozen in a large, easy-to-ship box.
