DEAD BLOW HAMMER - SOFT FACE - POLYURETHANE SHELL - 2-1/4 LB

Product # **740974** | Model # **DBHD-36**

- One piece oven cured polyurethane shell is much tougher than PVC, plastic, or rubber – up to 5 times the life
- Superior resistance to cuts, splits, abrasions and many chemicals
- One piece seamless shell allows use in non-sparking environments
- Steel shot filled head directs full force of blow to the work, preventing rebound
- Soft face will not mar surfaces
