#RD15LPF

KeepKleen®

Heavy Duty (15 mil) Powder-Free Latex Gloves

#RD15LPF

CFIA

Our KeepKleen® 15 mil latex gloves combine the best features of a dishwashing glove and a disposable glove into one. Heavy-duty natural rubber gives these gloves comparable puncture and tear resistance to a dishwashing glove. However, the ambidextrous shape and unlined construction offer the feel and fit of disposable. The textured grip gives these gloves good wet grip. Perfect for automotive technicians, paint applications, food handling and janitorial.

CFIA Approved for food handling.
