MicroMax® NS

Serged Seams

Dry Particulate

Light Liquid Splash

Microporous protection from dirt, grease, grime and light chemical splash!

This line of general purpose protective clothing can be used in work environments where hazardous or non-hazardous contaminants may be present. Very economical and lightweight, MicroMAX® NS features high MVTR and is breathable for worker comfort. MicroMAX® NS is strong, wet or dry, perfect for work environments where dirt, grime, splashes and spills are present. *Note: Other coverall styles or accessories may be available. Call for details.*
