Venus Curved Magnetic Broom with 48" Metal Handle - Blue

The Venus Curved Magnetic Broom is lightweight and comes with a 48" handle. Made of high quality material, it is perfect for fine sweeping in residential, commercial, or industrial applications.

The sturdy and high performance Venus Curved Magnetic Broom features flagged fibre ends that trap dust rather than push it

around. Thanks to a magnetic system, it quickly picks up lint, dust, small debris as well as the finest particles. The bristles are not affected by moisture, can be rinsed clean and dry quickly. This lightweight indoor broom comes with a 48" handle and is easy to manipulate. Pair this with a Lobby Dust Pan with Foldable Handle and remove all particles from your floors.

Venus Curved Magnetic Broom - Product Features

- Bristles made of soft, synthetic fibres
- Flagged fibre ends
- The curved head allows for better reach
- Lightweight, 48" handle
- Great tool for fine sweeping
- Available in red, blue and black
