7" Tar Applicator Brush - Black Tampico

Use this heavy duty applicator brush to apply industrial coatings like tar and paint.

This tar applicator brush is made with black tampico fibre bristles and features a sturdy hardwood block. It is used for the application of thick industrial coatings such as stucco, tar, or paint or to scrub concrete or brick finishes. This brush requires a tapered handle and can be used like a deck brush.

Product Features

- Made with black tampico fibres
- Features a thick hardwood block
- Requires a tapered handle

- Easy to wash for extended durability
- Ideal for residential, commercial and industrial applications
