60" Snapper Dust Mop Handle - Fiberglass - White

60” Snapper fiberglass handle allows for free swivelling. Lightweight durable option to reduce fatigue while cleaning.

The Snapper Dust Mop Handle is made of fiberglass which is corrosion resistant, strong and very lightweight. It has a spring-loaded clip for attaching Snapper Dust Mop Frames. Its swivel joint allows for flexible maneuvering. The Snapper Dust Mop Handle is suitable for both commercial and industrial use.
