36" M-Tech Microfiber Dust Mop - Green

M-Tech Microfiber Dust Mop is a highly durable product that attracts and retains dust without the need of an expensive dust mop treatment.

The M-Tech Microfiber Dust Mop is constructed from durable, high-quality yarn designed to attract and retain dust effectively. Available in four colors, it supports color-coded cleaning programs commonly used in institutional settings, including HACCP-compliant environments.

Built for high-traffic areas, the M-Tech Microfiber Dust Mop withstands heavy use while maintaining performance. Its keyhole backing is compatible with both 5" Clipper and Snapper Dust Mop Frames, providing a versatile and reliable solution for professional floor maintenance.
