Duo-Chamber Microfiber Starter Kit

The bucket is made with a unique Polypro material that has two compartments, one for clean and one dirty water, complete with frame, handle and refill.

This easy-to-use duo-chamber microfiber cleaning starter kit includes a bucket with two compartments for clean and dirty water, a mop with a metal handle and a microfiber flat mop pad. Microfiber is great for absorbing excess water and is machine washable for easy maintenance. The convenient bucket features non-marking casters for quiet and easy mobility. This is the perfect cleaning kit for offices and small spaces.
