Microfiber Charging Bucket Only - Blue

This durable and practical Microfiber Charging Bucket is ideal for use in hospitals, healthcare facilities, and care homes.

Featuring a heavy-duty polypropylene construction with a large, ergonomic handle, this microfiber charging bucket fits most janitor carts and can be sealed with a lid. It can be used with microfiber wet pads and squeegees and delivers superior productivity by reducing the amount of chemical solution used and increasing efficiency. The charging bucket can be optimized with swivel casters and single or double hooks. Transport two Microfiber Charging Buckets with the help of the Microfiber Charging Trolley.

Product Features

- Sturdy polypropylene construction
- Ergonomic handle

- Lid sold separately
- 25L capacity
- Compatible with most janitor carts
- Ideal for commercial and industrial use
