18" Disposable Healthcare Microfiber Pad

M2 Disposable Microfiber pads helps reduce cross-contamination by removing 99.7% viruses and bacteria. Made for single use.

The disposable microfiber pads are crafted from tear resistant microfiber material and effectively remove dirt, dust, and germs from surfaces. With M2 Disposable Microfiber pads, each cleaning task is performed with a fresh pad, reducing the risk of transferring bacteria from one area to another.

Ideal for hospitals, foodservice, offices and commercial settings, these disposable microfiber pads provide a safe and efficient cleaning experience that promotes a healthier environment for everyone. Reduce cross-contamination risks and enjoy the convenience of disposable pads that deliver amazing results.

Pair this disposable microfiber pad with an Aluminum Velcro Flat Mop Frame and a Non-Threaded Fiberglass Handle to get the perfect cleaning combo.
