36" Industrial Straight Floor Squeegee

Versatile and heavy-duty, the Industrial Straight Floor Squeegee is ideal for a variety of industrial, professional, and commercial applications.

Our Industrial Straight Floor Squeegee has a sturdy construction and is built to last. Featuring a metal frame made of galvanized steel and a hard rubber blade, it moves large quantities of liquid in a single pass. Ideal for removing water from any type of surfaces, including uneven floors. The Industrial Straight Floor Squeegee is compatible with the Tapered Wood Handle, which is sold separately.

Industrial Straight Floor Squeegee - Product Features

- Metal frame made of galvanized steel
- Hard, Dura-flex rubber blade

- Reinforced handlesocket
- Handle not included
