# 60" STEP-N-GO Wet Mop Handle - Telescopic

The STEP-N-GO Telescopic Wet Mop Handle has a practical foot pedal for hands-free release of mop heads. Ideal for commercial and industrial cleaning applications.

The innovative STEP-N-GO Telescopic Wet Mop Handle features a foot pedal that allows you to release mop heads without touching the frame. Thanks to small hooks, you can lift the mop head and dispose of it without using your hands. The 60" telescopic handle is equipped with a retaining ring for additional stability when working overhead or in difficult areas. Plus, the twist locking mechanism allows you to quickly customize the length of the handle. This mop handle is compatible with narrow band mop head, like the Swipe Cut End Mop.

## STEP-N-GO Telescopic Wet Mop Handle - Product Features

- Made of reinforced high impact plastic
- Sturdy, 60" telescopic handle with retaining ring
- Rounded ball end preventing your hands from slipping
- The handle features a hang up hole for convenient storage
