40" Litter Grabber

Opt for our 40" Litter Picker for easy, touch-free collection of litter and debris in parking lots, stadiums, carnivals, front of buildings, sidewalks, parks, school yards and more.

Designed for **comfort and convenience**, this **ergonomic reacher grabber** eliminates the need for bending, helping operators **avoid aches and pains**. Built with a **corrosion-resistant aluminum shaft**, it's perfect for **indoor and outdoor commercial or industrial use**. Whether picking up litter, reaching high shelves, or handling tough-to-grab items, this tool makes every task easier. This 40" Litter Grabber features a lightweight aluminum construction that will not bend or rust and rubber ends to securely hold onto even the largest pieces of litter. The bag can hold more litter, trash, or debris than standard lobby dust pans. This tool helps you save time and can reduce strain and physical effort for the user.

Product Features

1. **Ergonomic Pistol Grip Handle** – Reduces strain for all-day comfort and control.

2. **Heavy-Duty Rubber Grips** – Securely grabs objects weighing over 5lbs

3. **Extended 40” Reach** – Easily access high shelves and hard-to-reach areas.

4. **Durable & Corrosion-Resistant** – Built for long-lasting performance in any environment.

Upgrade your efficiency with the ultimate ergonomic grabber tool – perfect for industrial, commercial, and everyday use!
