Sani-Pro Microfiber Cloths - 16"x16" - 300gsm - Red

Hard-wearing and excellent for repeated cleaning, this microfiber cloth can remove up to 99% of bacteria without using chemical cleaning products.

Made of high-quality microfiber, the Sani-Pro cloth is designed for lasting use and can be washed up to 300 times without affecting its performance. The split fibres of this versatile cloth lifts and traps dirt for effective cleaning. Use it in a colour-coded system to organize tasks and help reduce the risk of cross-contamination. Put your favorite cleaning product into a 24 oz Bottle with Trigger and put the Sani-Pro Microfiber Cloths to good use.

Product Features

- Made of hard-wearing microfiber
- Highly absorbent
- Microfibre structure picks up and traps dirt better than traditional cloths
- Helps reduce the risk of cross-contamination when using a colour-coded system
- Can be used for wet or dry cleaning applications
- For use in commercial, industrial, and residential settings
