SynRay™ Cut-End Wet Mop - Narrow Band - No-Bag - 12 oz

This SynRay™ mop has very absorbent strands and a sturdy construction that stands up to any floor surface, including stone and concrete. Does not contain cotton. Absorbs 5 times its weight.

The SynRay™ Cut-End Wet Mop is constructed from 4-ply rayon fibre yarn, engineered to resist mold and mildew growth. It features a narrow, four-row stitched headband made from heavy-duty poly-coated mesh, offering chemical resistance and the durability to withstand repeated laundering.

Ideal for demanding cleaning tasks, this mop delivers excellent performance on rough surfaces and in high-traffic areas. Suitable for both routine and restorative floor maintenance in commercial and industrial settings, its narrow-band design ensures compatibility with a range of handles, including the STEP-N-GO Wet Mop Handle and the SNAP-2-GO Mop Handle.

SynRay™ Cut End Wet Mop - Product Features

- Cut-end strings
- Narrow band with 4 rows stitched
- Non-bagged
- Absorbs 5 times its weight
- Made with rayon fibres that inhibit the growth of mould and mildew
- Good durability
