SuperSorb Spill Mop - Narrow Band - Medium

The best mop to absorb big spills, even on rough and uneven surfaces.

The SuperSorb Spill Mop is an eco-friendly and versatile cleaning tool, made from 100% repurposed, post-industrial non-woven materials. Engineered to absorb up to seven times its weight, it is ideal for effectively cleaning oil, solvents, and other spills in industrial settings. Its durable construction also makes it suitable for use on rough floor surfaces.

For optimal performance, soak the SuperSorb Spill Mop in a 40 Qt. Champ mop bucket filled with clean water and wring using a side press wringer. A practical and sustainable solution, this mop is an essential tool for businesses committed to maintaining a clean and safe workspace. Experience the effectiveness of repurposed materials in action.

Product Features
