Combo Synthetic Medium Sweep Push Broom - 36"

The M2 Combo Synthetic Medium Sweep Push Broom is a great all-purpose choice for use in residential and commercial environments.

This Medium Sweep Push Broom features a thick wooden block and is packed with a combination of synthetic fibers. Synthetic bristles eliminate bacteria and prevent sanitation issues. You can use it indoors on wood, linoleum or concrete floors and outdoors on smooth surfaces. This broom can be paired with a Wood Handle with Metal Thread and some Push Broom Braces to create a sturdy and efficient sweeping tool.

Product Features

- Hardwood block
- Combination of synthetic fibers

- Compatible with threaded handles
- Can be used indoor and outdoor
- Extremely durable
- Ideal for industrial and commercial applications
