Large Eraser Sponge

Use this large Eraser Sponge to clean up dirt, smudges, stains, unwanted black marks and grease spots quickly and effortlessly.

Made of micro-abrasive foam material, this large Eraser Sponge can clean up marks on furniture, walls, floors and more. Simply saturate with water and slightly squeeze out excess water before removing grime and dirt. No detergent or chemicals required. The sponge can also be used on bathtubs, oven doors, light switches, and almost any other fixture or hard surfaces. Can't wet the surface you want to clean? Try the Smoke Restoration Sponge.

Product Features

- Made of micro-abrasive foam material

- Does not leave scrubbing marks, scratches, and does not damage surfaces
- Just wet the sponge and squeeze out excess water before each use
- Does not require chemicals
- Ideal for residential, commercial and institutional applications
