28 Qt Recycling Container

This waste container is the ideal receptacle for schools, offices, and other commercial spaces.

This medium-sized bin is constructed of durable plastic that will not crack, chip or dent. It is available in black for waste management and in blue. The blue version boasts the universal recycling symbol in white and has a slim design that fits into corners or tight spaces. The 28 qt. capacity is ideal for classrooms, offices, kitchens and other small rooms.

Can easily be emptied into a Waste Container Caddy carrying a 44 Gal Garbage Container.

Product Features

- Made of durable plastic

- 28 qt. capacity
- Ideal for small rooms
