28 Qt Waste Basket - Black

This bin is designed to facilitate recycling and waste collection in schools, offices, and other commercial spaces.

This waste basket is made of durable plastic that will not crack, chip or dent. It is available in black, beige and blue. The latter displays the universal recycling symbol in contrasting white. This waste or recycling basket features a slim design that fits into corners or tight spaces. The 28 qt. capacity is perfect for classrooms, offices, kitchens and other small rooms.

Can easily be emptied into a Waste Container Caddy carrying a 44 Gal Garbage Container.
