10 oz Loopy Detachable Yacht Mop - Blue

Equipped with a universal handle socket, this versatile and long-lasting mop is both economical and performant.

Introducing the Loopy Detachable Yacht Mop, a durable and reliable solution for maintaining clean floors. Designed with a robust connector, this mop delivers consistent performance and long-lasting use.

Constructed from a blend of blue polyester and rayon, the Loopy Yacht Mop combines strength, durability, and high absorbency, making it ideal for repeated laundering without compromising quality. Its synthetic yarn provides an economical, long-lasting cleaning tool that maintains performance wash after wash.

Equipped with a universal socket, this mop easily attaches to any threaded handle, offering maximum flexibility and convenience for a variety of cleaning applications.
