#NS200B

North Sea™

Premium Quality, Winter PVC Gloves

Sanitized

#NS200B

CFIA

FEATURES

- High-grade PVC formulation for superior flexibility and crack-resistance in cold temperature
- Good chemical and oil resistance
- Rough finish on palm for increased wet/dry grip

APPLICATIONS

Construction
Utilities
Commercial Fishing
Maintenance

The high-grade, low-temperature PVC formulation ensures flexibility and crack-resistance in cold temperatures. Warm triple-layer, foam-laminated insulation. Good chemical and oil resistance. Roughened finish on palm for better grip. Applications: fishing industry, trash collection, lumbering, utilities.

CFIA approved for food handling.
