HI-VIS ANTIMICROBIAL MESH-BACK SURVEYOR VEST - HI-VIS YELLOW - 2XL

Product # **V1012060-2XL** | Model # **6682**

High-functioning surveyor safety vest developed for the unique needs of professional field engineers and construction managers. Made with meticulous attention to detail, the garment is treated with antimicrobial protection to inhibit the growth of odor-causing bacteria, and includes ample pockets to conveniently store today's tools and tech. Designed with both durability and functionality in mind, this vest gives a professional appearance and will stand up to the task season after season.

- Special antimicrobial protection inhibits the growth of odor-causing bacteria, mold, and mildew
- 600 denier polyester material and heavy-duty mesh stand up to the toughest working conditions
- Full mesh back panel provides maximum ventilation and cool working comfort
- Features two water bottle pockets with adjustable cord closures for on-the-go hydration
- Reinforced pockets are durable, tear-resistant, and provides ample room for large phones and other personal effects
- Large zippered back pocket efficiently stores tablets, clipboards, and other critical items
- Comfortable padded collar reduces pressure around the neck
- Includes convenient storage for ear plugs, safety glasses and other PPE
- Premium two-tone Startech® reflective tape provides superior visibility even in low lit working conditions
- Includes pass thru slot for easy hook up to fall protection devices
