R-664

Premium leather driver gloves with a slip-on cuff, offering users advanced cut resistance

Cut | Light Duty

Premium leather driver gloves with a slip-on cuff, offering users advanced cut resistance

- **Specialized protection:** RINGERS® R664 drivers are designed with premium grain goatskin leather, offering wearers excellent dexterity levels
- **Added protection:** These cut protection gloves' additional palm layer grants wearers advanced cut resistance, satisfying ANSI/ISEA 105-2024 CUT A5 and EN ISO E standards
- **Improved durability and comfort:** Developed with F3 Technology™, these RINGERS® gloves boast reinforced seams at index finger and thumb level, for enhanced durability and wearer comfort
- **Enhanced features:** They also feature a slip-on cuff design, making them easier to don, while a cuff closure with a hook and loop TPR pull tab ensures a secure fit

Industries

- Manufacturing
- Oil and gas
- Construction
- DIY
- Machinery and Equipment

Applications

- Preparation of site - unloading of lines and valves
- Handling iron - rigging work
- Handling of tools
