R668

RINGERS® R668 Thermal leather with impact and 360° cut protection

Impact Cold | Medium Duty

Premium leather with 360° cut, level 2 impact and G-100 Thinsulate™ for cold weather

- **Advanced defenses:** RINGERS® R668 medium-duty impact gloves are fully lined with high-quality goatskin leather and G-100* 3M Thinsulate™ for warmth, granting wearers advanced 360° cut resistance in cold weather environments
- **Improved durability and dexterity:** Developed with F3 Technology™, these goatskin gloves' premium leather formulation and reinforced seams around the index finger and base of the thumb make for highly durable, dexterous personal protection
- **Specialized protection:**Their patented high-visibility TPR (thermoplastic rubber) design, covering the fingers and knuckles, ensures excellent impact protection
- **Enhanced features:** Their slip-on cuff design enables donning and doffing with considerable ease, allowing wearers to find a safe, comfortable fit

*Type G Thinsulate is bluesign® approved. Articles made from bluesign® approved materials are produced in a resource conserving way with a minimum impact on people and the environment.

Industries

- Oil and gas
- Manufacturing
- Machinery and Equipment
