R-176

Insulated, waterproof impact gloves, with insulation and waterproof barrier to keep hands warm and dry

Impact | Cold | Abrasion Protection | Cut | Liquid Spray and Splash | Medium Duty

Insulated cut-resistant impact gloves, with a waterproof barrier to keep hands warm and dry

- **Specialized protection:** With a patented TPR (thermoplastic rubber) design, developed with F3 Technology™, RINGERS® R176 work gloves ensure knuckles and finger-length impact protection
- **Enhanced grip and cut resistance:** An additional palm layer, with grip-enhancing PVC patches, offers both advanced cut resistance and excellent grip
- **Added defenses:** Their proprietary waterproof barrier and 70g Thinsulate™ insulation guards against the elements, protecting hands while keeping them warm and dry
- **Enhanced features:** These RINGERS® gloves also feature an extended cuff with gaiter closure and increased visibility material with reflective cuff piping, for enhanced user safety, as well as touchscreen-compatible thumb tips, index and middle fingers

Industries

- Construction
- Energy
- Chemical
- Automotive Aftermarket
- Mining

Applications

- Chaining up pipes
- Installation and dismantling of rigs
- Assembly of parts
- Assembly and disassembly of large pipes
- Unloading and stacking pipe
- Preparation of site - unloading of lines and valves
- General pumping work
- Handling iron
- Handling of tools
- Maintenance
- Operating of heavy machinery
- Cold Storage
