Endura® | 370DTIGL

Slim-fit everyday TIG welding gloves designed for better comfort with enhanced sense of touch and heat protection

ANSI/ISEA 105 X 3 3

ANSI 2 HEAT

ABOUT THE PRODUCT

Our heat-resistant Endura® 370DTIGL gloves are designed with a slim fit for comfort and protection when TIG welding. They balance durability with the tactile flexibility of deerskin for a better sense of touch and dexterity. Cushioned patches on the outer side of hands provide comfort when resting on surfaces during welding sessions. ANSI 2 heat resistance provides protection and they are sewn with ParaActiv™ thread for added seam integrity.

APPLICATIONS

MATERIAL HANDLING, METAL FABRICATION, SHEET METAL WORK, TIG WELDING

RECOMMENDED FOR

MATERIAL HANDLING, METAL FABRICATION, TIG WELDING

AVAILABLE SIZING

XS, S, M

SHIPPING AND PACKAGING

Unit of Measure	Pair
Country of Origin	China

FEATURES AND TECH

Welding	Yes
