Endura® | 378SB

General use gloves with protection against scuffs and scrapes when material handling

ANSI/ISEA 105
X
4 3

ABOUT THE PRODUCT

Our Endura® 378SB gloves feature cowgrain palms for durable protection from scuffs and scrapes, making them ideal for material handling, light construction tasks, and low hazard site clean up. Grain leather palms help resist liquid while a split leather back-of-hand improves durability for a longer wear life. Elasticized wrists offer flexibility and a snug fit for all day comfort.
