ABOUT THE PRODUCT

Our Endura® 398GLBB TIG welding gloves offer heat protection with shorter cuffs for easy removal. Back-of-hand fleece lining offers ANSI 2 heat resistance, while seams are sewn with ParaActiv™ thread for added integrity. Ergonomically shaped for a snug fit, dark coloring hides dirt and stains for a longer wear life, plus shorter-length safety cuffs allow for easy donning and removal. Padded palm patches offer comfort when material handling.
