#GU-500

# Superior Glove®

## Stainless Steel Gloves

#GU-500

These gloves provide excellent cut and puncture protection for meat and poultry workers and for other applications where maximum protection is required. They feature a taper-fit design and a patented system which makes changing a left hand glove into a right hand glove fast and simple. Color coded wrist straps for easy size identification. USDA approved, UL listed. Sold per piece.

Any of the **Sure Knit®** styles can be worn as a liner under our #GU-500.
