KnitActiv™ | N10F

Breathable lightweight and reversible low-lint nylon inspection gloves

TAA COMPLIANT CE MINIMAL RISK

ABOUT THE PRODUCT

Our KnitActiv™ N10F reversible inspection gloves feature a lightweight nylon with a breathable back for better comfort, dexterity, and touch sensitivity. Low-linting to avoid shedding material and contamination, they are reversible for ease of use and CFIA-compliant for safe food handling. Ideal for assembly tasks and inspection lines, they can be worn as a liner under other safety gloves for comfort.
