Supera® Essentials | NWKVFR

Non-irritating fire-resistant neck warmer for protection against fire hazards

ARC FLASH 16 cal/cm² ASTM D6413

ABOUT THE PRODUCT

Our Supera® Essentials NWKVFR neck warmer is made with double-layer Kermel®-viscose blend to protect against fire hazards. The fabric is soft and non-irritating, allowing for comfortable all-day wear. With its NFPA 70E compliance and arc flash-rated level 2 with an ATPV of 16 cal / cm², this neck warmer is suitable for workers in industries where fire hazards exist, such as construction, mining, and oil and gas.
