# KeepKleen® | RDNMD

Metal-detectable food safe disposable gloves for accidental contamination detection

WATERPROOF

## ABOUT THE PRODUCT

Our KeepKleen® RDNMD metal-detectable disposable gloves help reduce costs associated with accidental contaminations and food waste. A metal detector calibrated to standard sensitivity can detect pieces as small as 2 cm or 0.78 inches to prevent food waste shutdowns by adding and additional layer of control. They are CFIA and FDA compliant for safe food handling with texturized fingertips for steady grip.
