# KnitActiv Pro™ | S10LXPB

Food safe hypodermic puncture protection with cut resistance

## ABOUT THE PRODUCT

Our KnitActiv Pro™ S10LXPB gloves offer protection against cut and needlestick puncture hazards and are safe for food handling. Palms are lined with Punkban™ for ANSI 5 hypodermic puncture protection and ANSI A5 cut resistance, while latex palms offer a steady dry grip. FDA and CFIA-compliant for safe food handling.
