Dexterity® | S18WTFN

Water and wind protection with laminated anti-slip layers for better grip plus cut resistance

ANSI/ISEA 105 A6 6 4

WATERPROOF

ABOUT THE PRODUCT

Our waterproof and windproof Dexterity® S18WTLFN gloves protect skin from harsh environments while remaining breathable. The unique membrane lamination prevents layers from slipping, providing a comfortable fit and reliable grip. TenActiv™ engineered yarn material provides 360° cut protection with ANSI A6 cut resistance plus the foam nitrile palm coating offers a steady wet grip.
