Dexterity Pro™ | S21TAXRFNB

Ultra-thin cut protection with low-profile impact bumpers for freedom of movement in tight spaces

ABOUT THE PRODUCT

Our ultra-thin Dexterity Pro™ S21TAXRFNB cut protection offer outstanding dexterity with low-profile back-of-hand impact protection for work in confined spaces where hand maneuverability is a must. Featuring ANSI 1 impact resistance against knocks and bumps, the slim back-of-hand protection is more flexible at finger knuckles for improved range of motion. Made with TenActiv™ engineered yarn for 360° cut protection with ANSI A5 cut resistance, their ultra-thin foam nitrile palm coating is touchscreen compatible to seamlessly move between tasks and offers steady wet grip with a barehand feel.
