Dexterity Pro™ | S21TX

Maximum cut protection with outstanding dexterity and tactility for use on their own or as glove liners

ABOUT THE PRODUCT

Our ultra-thin Dexterity Pro™ S21TX gloves are ideal for use on their own or as glove liners and balances maximum cut protection with a bare hand feel and freedom of movement for exceptional comfort. Made with TenActiv™ engineered yarn for 360° cut protection with ANSI A9 cut resistance, they're ideal for material handling, construction, maintenance, or other general labor tasks. They're also FDA and CFIA-compliant for safe food handling.

Dexterity Pro™ S21TX ANSI A9 cut-resistant gloves are third-party tested and verified to meet the ANSI / ISEA 105 standard in accordance with the ASTM F2992-15 test method for cut protection.
