ParaActiv Pro™ | TRFGK

Heat and cut protection for fabrication and handling hot unfinished metal

ABOUT THE PRODUCT

Our ParaActiv Pro™ TRFGK gloves protect hands when handling hot unfinished metal and performing fabrication tasks. The ParaActiv™ engineered yarn liner offers 360° cut protection with moderate ANSI A5 cut resistance and ANSI 5 heat protection. The loop out design and longer knit-wrist cuffs ensure comfort during material handling, and the cotton-blend fabric absorbs grease and oil for steady grip.

APPLICATIONS

AEROSPACE, AUTOMOTIVE, GLASS MANUFACTURING, METAL FABRICATION

RECOMMENDED FOR

EXTRUSION, HEAVY STAMPING, HOT PARTS HANDLING, SHEET METAL HANDLING

AVAILABLE SIZING

XS, S, M, L, XL
